

Enzo's Extensive Network of National Insurance Providers

We Offer Flexibility and Choice for Our Clients

Enzo holds a unique position as a full-service clinical reference laboratory backed by 40 years of experience in developing innovative molecular diagnostic platforms. Through personalized customer service, a broad testing menu, timely results, and a strong alignment with insurance providers, we partner with our clients to provide unparalleled support.

Our commitment to consistent and sustainable client support has attracted numerous national service providers looking to partner with us. Our goal is to ensure our clients have quality healthcare that is individualized and accessible.

EFFECTIVE: APRIL 15, 2017

Enzo welcomes Cigna® as a new national partner to our provider network

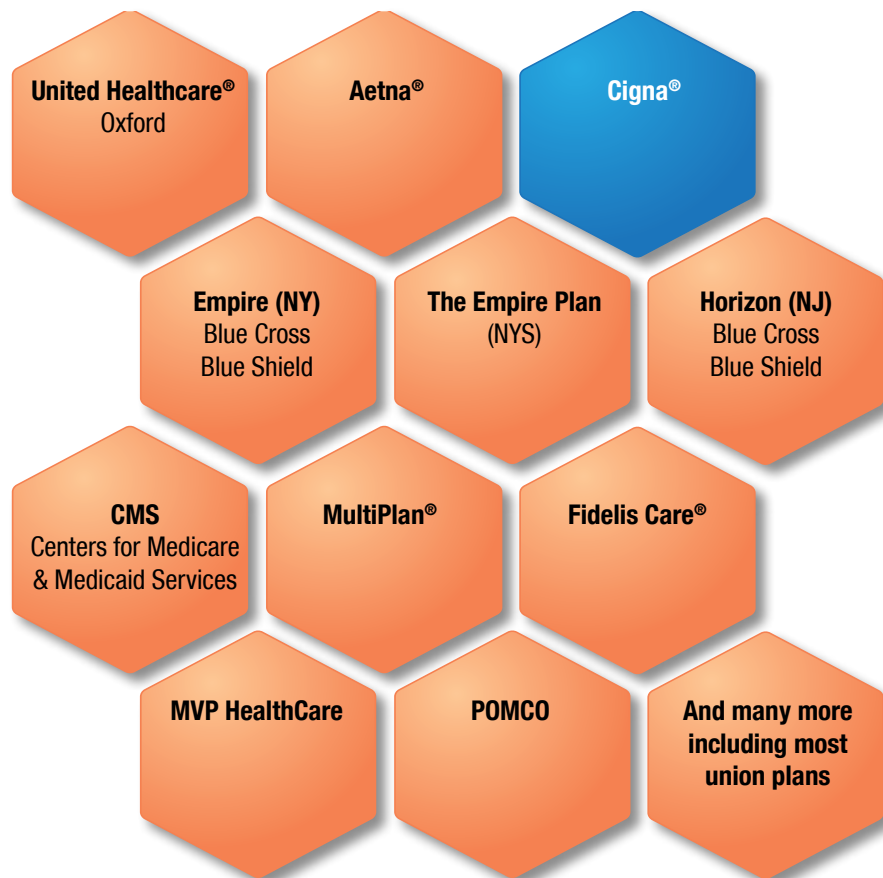

Like Enzo, Cigna believes in collaboration and partnership to improve healthcare.

With 90 million customer relationships around the world, Cigna strives to connect clients with quality care and benefits while keeping them well-informed, ensuring confidence in the entire system.

Enzo is proud to be partnering nationally with Cigna and to be doing our part in bringing quality healthcare to our clients.

Participating Provider List (Partial)

Your Partner in Patient Care

Founded on Technology. Sustained by Service.

Extensive Insurance Coverage

Enzo accepts most insurance plans including United Healthcare® Oxford, Centers for Medicare & Medicaid (CMS), Cigna®, Empire Blue Cross/Blue Shield (NY), The Empire Plan (NYS), Aetna®, Horizon Blue Cross/Blue Shield (NJ), MultiPlan®, Fidelis Care®, MVP Healthcare, POMCO, and many more, including most union plans.

EMR Integration

Enzo works with Electronic Medical Record (EMR) providers to make ordering and reporting as easy as possible and we can integrate with any EMR (no third-party required). We also developed an on-site proprietary interface engine which enables a quick turnaround of all lab records. Our on-site field service technology experts provide support you can count on.

Personalized Customer Service

Our committed service team is ready to handle your practice's needs. We provide on-site experts including pathology opinion leaders. Our dedicated support staff is on-call 24/7/365 to help you when you need us most: call us at 1-800-522-5052, or by email at labinfo@enzo.com.

Simple Billing

Our focus is on patient care, quality patient service, and accurate laboratory testing. Our goal is to use our billing staff's expertise to manage customer billing events without creating any client burden. You can reach our billing department by calling 1-800-369-6818 or by email, at bill@enzo.com.

State-of-the-Art Technology

Enzo continuously invests in state-of-the-art analysis systems to improve healthcare. Our cutting-edge diagnostic platforms, complemented by in-house developed assays, provide the highest level of efficiency and accuracy in the market.

Scientific Advisory Team

Enzo's technical staff is led by board-certified pathologists and scientists who have many years of clinical experience combined with the desire to produce the highest quality laboratory results. We have world renowned scientists and medical doctors available to answer technical questions and consult on your cases.
